

Eagle Lake Youth Suspected Firebug

Following an intensive investigation by an official of the fire marshal's office, assisted by O.P.P. Constable Cook and fire chief Roberts an Eagle Lake youth was apprehended and taken to Lindsay for a preliminary

hearing on Wednesday. Owing to the fact that the boy is a minor and his parents were not in court when the hearing was called, it has been set over for another week with the youth remaining in custody.

From what can be learned the youth had admitted setting one of the fires but until a hearing is held that is as much as is known at present regarding this series of tragic fires that have greatly upset citizens residing at Eagle Lake.

Residents of Eagle Lake, since the Nyilas fire, have been suspicious that someone was deliberately setting fires and well they might when one considers that in less than one month five dwellings have gone up in smoke or been badly gutted by fires of unknown origin.

On the night of September 7 the residence of James Flood was totally destroyed; on the afternoon of September 21 the home of Harold Witte caught fire in some mysterious manner and was a total loss before help arrived.

Then came the night of September 29 and the Nyilas blaze and residents of Eagle Lake asked who will be next. Well they did not have long to wait as on the night of October 4 the residence of Mrs. Edna Archer was destroyed and from what can be learned in this case the occupants were fortunate to all get out alive.

On October 6 at 6 p.m. the Haliburton fire brigade were called to the home of James Botting and were able to save the main part of the home though water damage was extensive.

Mr. and Mrs. Botting were on their way to Haliburton when the blaze was noticed and it has been ascertained that the fire started in a clothes closet where there was no electric wiring or anything else that might start a fire.

The people of Eagle Lake whose homes are still free from the ravages of fire are afraid to leave their places of abode and must go to bed with the thought of whether they or their homes will be there in the morning.

A thorough investigation is needed to restore the peace of mind of residence of this community. No stone should be left unturned until this end is reached.

Big Holiday Week End

It is safe to say without fear of contradiction that the Highlands of Haliburton last week end played host to more guests than on any such previous occasion.

No doubt the perfect weather had a great deal to do with the attraction of so many visitors, however when lodge owners could tell you a week in advance of the holiday that they were booked full and had to turn down applications for accommodation, one could sense that the area was in for a big week end.

Golf courses did as much business as they did at the height of the tourist season and from the number of boats on the lakes one would imagine it was an August week end.

HALIBURTON NEWS LETTER . . .

Larger congregations than usual for this time of year were in attendance at churches of the various denominations on Sunday morning last. A good many of those in attendance were holiday guests here but despite excellent weather and many other ways to employ their time, they were able to take time to be present in God's house to give thanks for the many blessings bestowed on them during the past year.

We notice that the bridge and building men of the C.N.R. are making extensive repairs around our local depot and have been also working on the line that links us with Lindsay. It would appear rumors that the railway will not be in operation from Lindsay to Haliburton are without any foundation whatever.

Mr. and Mrs. Charles Tyler are home on a holiday from New Brunswick where Mr. Tyler is engaged in the operation of a veneer mill. In conversation with Mr. and

Mrs. Tyler, they said that province is similar in nature to the Highlands of Haliburton, only in place of lakes they have large rivers, which according to accounts are teeming with salmon and trout.

They told of a party of fishermen going up the Miramichi River and returning with some 120 trout.

Deer are very plentiful with the season extending to two months, but no dogs are allowed in the bush in New Brunswick.

However the securing of venison did not appear to be difficult as on the first day of the season two men working at the mill had gone out and returned with their deer before it was time to go to work.

This year a short moose season is to be held of only four days duration. Only 800 moose licenses are to be issued but already some 12,000 persons have applied for same.

When we enquired about weather conditions in the winter down there, they

stated they had plenty of snow last winter, but the lowest temperature reading was 22 degrees below.

We have been informed that Mr. Earle Casey who has been in St. Michael's Hospital, Toronto, undergoing a check-up will be home shortly. We trust that he will experience a return to better health.

Paid a visit to our local library the other evening and we must admit that we felt a little guilty as we had not been in for quite some time. Mrs. Stan Hill and Mr. Bert Allen, who alternate on Tuesday and Friday evenings deserve a lot of credit for the work they have done in securing new books and keeping and arranging the wealth of reading material contained on the bookshelves. If you are fond of good reading you really should take out a membership in the town in which you reside. You will find that for very little you can obtain a great amount of excellent reading.

THE STANHOPE STORY
Chapter 13

One of the first white male children to be born in Stanhope was Walter E. Wright, the son of Bowes Cecil Wright of Newcastle on Tyne in the English county of Northumberland. Originally the Wrights had planned to emigrate to Australia but literature extolling the virtues of the Guelph area of Upper Canada persuaded them to change their minds.

They may well have regretted this decision during the stormy Atlantic crossing when two of their children died—a baby and a slightly older child. Both were buried at sea.

When the vessel finally docked at Quebec City the immigration officer persuaded Mr. Wright to abandon the idea of buying land at Guelph which was selling for \$1.50 an acre in favor of the free grant land north of Bobcaygeon in Peterboro county where 100 acres would also be available for each of the older sons.

Bowes Cecil Wright first located in a cedar swamp on the Jim Graham farm near Minden but relinquished this after only a year for 100 acres in concession A Stanhope. Two of the Wright sons, William and Ernest, later took up land in concession A which is bisected by the Bobcaygeon road on lots 8, 9 and 10.

The Wrights were three miles from a school. Young

Walter Wright, born September 23, 1862 was only one in a family of 10 living children. At that time shoes were a luxury pioneer youngsters couldn't afford so when the weather became cold, Mrs. Wright sewed a pair of buckskin moccasins to heavy woolen stockings. With three extra pairs of home knit socks as insulation the Wright children were able to brave the winter winds in comfort.

Before the post office was established at Hindon Hill, the Wrights collected their mail at Peterson Corners as did John Crawford, Hugh Coulter, John Dawson, Geo. Armstrong, James Guin, John and James Gannon, Robert Stevens and Archibald Taylor.

By 1890 the settlement had grown to include Daniel and Andrew Bull, William J. Coulter, Joseph Fuller, Henry Pearl, G. W. and W. H. Stevens, Daniel Taylor and Walter Wright.

If Minden township had its Johnny Boyd, Stanhope had its Jimmy Guin, for many years a resident on lot 5, concession 1, which was known as Guin's Corners because it lay at the intersection of the road up the west side of Boshkung and the Peterson. Perhaps Jimmy Guin had difficulties remembering surnames, at any rate he had a habit of nicknaming everyone he met with such uncanny accuracy that most of his appellations, alas, not always complimentary, stuck for life.

Near Guin's property on the township road was a steep hill which gave all who traveled that way a great deal of trouble. To by-pass this obstacle the Stanhope council headed by Mr. Joseph Beatty made a deal with Jimmy Guin for a right-of-way across his property for which they were to pay the princely sum of \$25. Delighted at his good fortune, Jimmy made haste to remove the fence and the road was changed to miss the hill.

Inexperienced with the ways of red tape and official channels which govern municipal affairs, Jimmy Guin, as soon as he had kept his part of the bargain, expected immediate payment. When several broad hints to the reeve, Mr. Beatty, Mr. Mason who was a councillor, and the township clerk, Wm. Cooper, brought no action, the enraged Jimmy replaced the fence declaring to all who would listen that "Wormy Cooper, the old Curmudgeon (Mr. Beatty who was the first Stanhope reeve to sit on the county council), and Limp Mason would all have to climb the hill!"

Not long after the matter was straightened out to the satisfaction of all concerned and Jimmy received his \$25 and the road was opened up again.

The favorite sport in Stanhope's early days was baseball. Each settlement boasted a nine and no summer event, be it picnic, Dominion day of the Twelfth of July was complete without a contest between several of the best teams.

So enthusiastic was the Boshkung group that they used to think nothing after a hard days work in the fields of walking five or six miles from the head of the lake to Guin's Corners where the practise sessions were held. A picture taken at a Boshkung picnic sometime before 1900 shows the ball team in matching striped uniforms and natty caps. Some of the players were Sandy Beatty, Alfred Mason, Mac and Jimmy Sisson, Walter Johnson, George and Bill Deacon and some of the Cooper and Hewitt boys.

The Maple Lake ball team did most of their practising on a diamond in Melville's fields. Some of their renowned

athletes were: Dick Dawson, Billy Melville (later drowned at the head of Maple Lake), Will Fader, Wes and Bill Boice, Bill Taylor, Jim Sawyer, Jake Clancy, Tommy Archer and Lewis McDonald who lived on the north side of Maple Lake until he and his family moved to the prairie provinces.

Weddings Of Local Interest

Trerice - Minaker

A lovely wedding was solemnized in the Lochlin United Church on September 9, 1961 when Ella Patricia Ann Minaker was united in marriage to Mr. Lawrence Eugene Trerice.

The bride is the daughter of Mr. and Mrs. Harvey Minaker of Lochlin and the groom is the son of Mr. and Mrs. Gerald Trerice of Toronto.

Rev. G. D. Petrie officiated at the double ring ceremony.

The wedding music was played by Mrs. Archie Brown and the soloist was Mrs. Laurens Harrison, who sang "The Wedding Prayer" and "The Wedding Hymn."

Given in marriage by her father, the bride looked charming in a floor length gown of white nylon organza over peau de soie. Her fingertip veil fell from a crown of seed pearls. She carried a bouquet of white carnations and chrysanthemums with trailing green ivy.

The matron of honor was Mrs. Clark Miller, sister of the bride and the bridesmaid was Mrs. Douglas Gemmell, sister of the groom.

The matron of honor wore a short bell shaped dress of gold delustered satin with matching headpiece, shoes and gauntlets. She carried a bouquet of pink roses feathered with yellow carnations.

The bridesmaid wore a similarly styled dress of rust delustered satin with matching accessories. She carried a bouquet of bronze and yellow chrysanthemums.

Mr. Douglas Gemmell, brother-in-law of the groom, was best man and the ushers were Howard Wiles and Leroy Quillen, friends of the groom.

The groom and his attendants wore midnight blue tuxedos with white carnations.

Following the wedding, a supper was held in the Haliburton Orange hall for 50 guests.

The bride's mother received the guests, wearing a teal blue satin back sheath with matching jacket. She wore bone white accessories and a corsage of Johanna Hill roses. The groom's mother assisted in an olive green sheath of shantung with matching jacket. She wore brown accessories and a corsage of yellow sweetheart roses.

The toast to the bride was proposed by Mr. George Brennan.

Later in the evening a dance was held at Birch Point lodge, where the young couple received many lovely gifts.

For their trip to Washington and Virginia, the bride wore a green three piece suit of knitted wool with cafe brown accessories. She wore a corsage of Johanna Hill roses.

On their return the young couple will reside at 1140 Kingston Rd., Apt. 304, Scarboro, Ont.

Prior to her marriage the bride was given five showers where she received many lovely gifts.

Friends who attended the wedding were from New York, Toronto, Oshawa, Pickering, Greenwood, Markham, Oakville, Huntsville, Minden, Haliburton, Donald, Ingoldsby, Gelert and Lochlin.

Vasey - James

At a ceremony in Royal York Road United Church conducted by Rev. J. R. Hord, Beverly Lynne James, daughter of Mr. and Mrs. Donald A. James, Islington, became the bride of Hugh Mark Vasey, Toronto, son of Mr. and Mrs. Mark Swinson Vasey, Minden.

The bride was given in marriage by her father. Her gown of white peau de soie was fashioned with a lace bodice, scalloped neckline and bouffant skirt appliqued with lace and seed pearls. The skirt swept to a chapel train. Her fingertip veil fell from a French headdress and she carried a cascade of white roses, stephanotis and ivy.

Maid of honor was Penny James, the bride's sister, and bridesmaids were Sandra Clark and Deirdre Mungovan. Their full skirted dresses were of burnt orange peau de soie and headdresses were of autumn flowers. They carried cascade bouquets with variegated leaves.

Donald G. Hall was best man and ushers were twin brothers of the groom, Gary F. Vasey and Glen A. Vasey with Telford O. Struthers.

After a reception at the home of the bride's parents the couple left for Quebec City and the Laurentians. They will live in Toronto.

St. Paul's W.A.

The W.A. of St. Paul's Anglican Church held their first fall meeting Tuesday, September 26 at the home of Mrs. W. M. Welch.

Devotions opened with a hymn, scripture reading and the litany as found in the Living Message. Then our president, Mrs. Garnet Lytle led us in prayers: for women; for peace of the world; for God's blessing on the season's work; for those who have entered into rest, mentioning especially Mrs. Gibbs; our member's prayers and the primate's noon-day prayer.

A tremendous amount of business was attended to, from plans for the making of quilts, to arrangements for our annual parish dinner to take place in November.

Then as we enjoyed our tea there seemed to be such an aura of fellowship and goodwill that we felt our meeting was truly blest.

Home and School

The first meeting of the year was held in Mrs. Shaver's room with a goodly crowd in attendance and Mrs. Sears, past president in the chair, in Mrs. Dudman's absence.

The reports were given and on the count of parents Mrs. Gorrie and Mrs. Lidster had a tie and each were awarded the banner for two weeks and the money as well.

Mr. Morgan gave us a few details of the official opening of the Archie Stouffer school and the date as October 16 at 7 p.m. The members are to provide fruit loaf or date

loaf to serve at this and give their names in to Mrs. Weiss.

A request was also made that donations of baking of candy or other articles be made for fun night which was the following Friday.

After an open discussion it was decided to give the grade eight graduates, who have just started high school, an evening of fun and games followed by lunch.

Mrs. McNabb very ably introduced the local dentist, Dr. Hicks of Haliburton. He gave us some ways of preventing cavities and the correct foods to eat as well as stressing using fruit and celery instead of desserts and sweets to protect the teeth.

Mrs. McGee thanked Dr. Hicks for coming out to talk to us.

The teachers had been in attendance and had been introduced to all present.

The meeting adjourned by singing God Save the Queen.

Fun night at the public school saw a large crowd of boys and girls having a good time.

With the wishing well, fish pond, ring toss, bingo and the movies from the Dept. of Lands and Forests, together with the home baking, cake walk and tea cup reading, all report a very good time.

Winner of the door prize, given by IGA, was Mrs. Mary McKelvey and this was a lovely basket of fruit.

In Memoriam

Harnden—In loving memory of a dear husband and father, Vernon Millar, who was accidentally killed October 12, 1959:

Years of striving, little of play,
Loving and giving the whole of the way.
A cherished smile, and a heart of gold,
To the dearest husband this world could hold.
Happy memories, fond and true,
From us who thought the world of you.
—Lovingly remembered by his wife Constance, sons Ron and Wayne and daughter Eleanor.

McGuire—In loving memory of our dear father and grandfather, John McGuire, who passed away October 14, 1959:

Two years have passed away and gone
Since one we loved so well
Was taken from our home on earth
With Jesus Christ to dwell.
The flowers we place upon his grave
May wither and decay,
But the love of him that sleeps beneath
Shall never fade away.
—Lovingly remembered by his daughter Josephine, son-in-law Clair and grandchildren.

Packard—In loving memory of Charles Edward Packard, the dearest father who ever lived, whom the Lord called home October 1, 1959:
"For the lamb which is in the midst of the throne shall feed them and shall lead them into living fountains of water and God shall wipe away all tears from their eyes." Rev. 7:17.
—Ever remembered by Lloyd Elva, Charles and Dwight Heard.

McGuire—In loving memory of a dear father and grandfather, John McGuire, who passed away two years ago October 14, 1959:

Gone where the angels sing so sweet,
And taken when God knew best.
We miss him here so very much
His presence oft seems nigh,
But we all hope in heaven to meet.
Where no one says goodbye.
—Lovingly remembered and sadly missed by daughter Leona, son-in-law Bruce and grandchildren.

Maguire—In loving memory of my dear husband, John Maguire who passed away October 14, 1959:

No morning dawns, no night returns
But that I think of you
Those left behind are very good,
But none replaces you.
Many a silent tear is shed
When I am all alone;
The one I loved so very much,
The one I called my own.
—Lovingly remembered by wife Florence.

Card of Thanks

I would like to express my thanks and appreciation to all my friends and relatives for their acts of kindness in sending cards, letters and flowers to me during my stay in hospital. My special thanks to Dr. Good, Dr. Glassey and the nurses and staff.
—Nelson Clark.

My sincere thanks to relatives, friends and neighbors for the lovely get well cards, gifts, flowers and visits during my stay in Ross Memorial Hospital. A special thanks to nurses and staff, also Dr. Watson, Dr. Thomas and Dr. Service.

—Mrs. Gordon Kellett.

IN MEMORIAM

Maguire—In loving memory of our dear father, John Maguire who passed away two years ago, October 14, 1959: One cannot think of them as dead

Who walk with us no more,
Along the path of life we tread,
They have but gone before.
A dearer father never lived
Nor one more fine or true
Nor was a father ever missed
More truly dad, than you.
—Lovingly and sadly missed by his daughters Lavina and Audrey and Joan.

W.A. Rally

"Together for others" was the theme of the annual Group Six rally of Women's Associations of the United Church held in Minden on October 4. Attendance at the morning and afternoon session was over 80 with good representation of members from Haliburton, Ingoldsby, Maple Lake, Carnarvon, Minden, Lochlin, Gooderham, Tory Hill and Wilberforce. Also present were several officers of the Lindsay presbytery.

Mrs. M. H. McKnight of Haliburton presided over the meeting which began with a call to worship and a special hymn: "Lord, We Thank Thee for Our Brothers," followed by the W.A. theme hymn and prayer.

The Haliburton ladies, led by Mrs. R. Stinson, then conducted a most inspiring worship service. Mrs. W. R. Curry read the scripture lesson from Romans.

An appropriate duet "O Brother Man" was sung by Mrs. J. Wilkinson and Mrs. E. Shipley.

A soul searching talk on the topic of "Togetherness" in the sense of Christian love was given by Mrs. G. Petrie.

Solemn and beautiful words of tribute to six faithful members who had died during the past year were read by the president and white chrysanthemums were placed at the altar by Mrs. J. A. Robertson in memory of the departed ones.

Mrs. N. Finney of Maple Lake enriched the program with her fine solo "Lord of all hopefulness." She was accompanied by Mrs. Al Barron, organist for the day.

Following the roll call, and reading of the minutes of the previous meeting, officers of the Lindsay presbytery brought greetings and reported briefly. Mrs. Norman Dack of Lindsay, president, urged the group to maintain their present good work and be prepared to meet changes and to accept leadership responsibility.

Mrs. C. Fielder of Cobocok, secretary, thanked all groups for their co-operation in sending her their reports and passed on information from the Whitby conference.

Mrs. R. Webber, treasurer, reported on fees and bursary fund.

Group reports from the Haliburton county local organizations were interesting and packed with splendid ideas to share with other groups.

A reading, "I shall not pass again this way," by Mrs. R. Baker of Ingoldsby was much enjoyed by all.

The morning session closed with the singing of a hymn and the theme prayer.

The Rev. D. Staples asked God's blessing upon the meeting and gave thanks at the dinner.

Dinner was served by the ladies of St. Paul's Anglican Church, Minden, who are to be commended for their helpful neighborliness.

The afternoon session began with a hymn. Mrs. D. Staples led in prayer. The president then called on Mrs. L. Winch to introduce the guest speaker, Mrs. Garnet Spratt, who is church visitor for the St. Paul's Avenue Road United Church in Toronto.

Mrs. Spratt is a woman of rare spiritual attainment. Hearts were touched as she spoke movingly of her experiences both joyful and sad while carrying the gospel message into troubled

homes and lives.

Mrs. J. A. Robertson warmly expressed the thanks of all to Mrs. Spratt.

A playette, "New Styles for Women" was presented under the direction of Miss Vina Neal who is a member of the provisional committee whose task it is to interpret the constitution of the new organization of United Church Women. This will replace the W.A. and W.M.S. at the new year.

Miss Neal also answered questions of interest to all and announced that the objective for this presbytery next year would be \$17,800.

The offering for the day was received by the Tory Hill ladies and dedicated by Mrs. G. W. Barr of Gooderham.

Choral reading of Psalm 23 by the Lochlin group was very effective.

Mrs. Elgin Stouffer of Minden sang "How Lovely Are Thy Dwellings."

A courtesy report was given by Mrs. D. Miller of Wilberforce.

The last verse of "Lord We Thank Thee" was sung and the president closed the meeting with prayer and the benediction.

Just a tip—if you are coming to the highlands this week end and we have any clear weather at all you should visit both these parks and if you are a camera enthusiast take your camera along, as barring heavy rains and wind leaves should be at their best this week end.
